Spearheaded a nationally recognized gasoline training plan, 2009
Member: Operating Engineers Local 302, Alaska Miners Association, Pioneers of Alaska, and NRA

STATEMENT:
In 2012, 2014, and 2018, I was honored to be elected to represent the people of Senate District C. I am running for re-election and am asking voters to #PickClickBishop for Senate District R.

I am still motivated to help build Alaska's communities through hard work, straight talk, and common sense.

Alaska's economy is primarily driven by oil, gas, mining, timber, fishing, and tourism. We need to assure that those industries thrive now and into the future; continue to work with education and industry to improve Alaska hire and keep hard-earned dollars in Alaska; help Alaska businesses create jobs to hire skilled Alaskans; and, have strong workforce development programs so Alaskans have the training needed to compete in our job market.

One of my greatest enjoyments as a senator is visiting with constituents. You are key to my success and are factored into every decision I make. Thank you to all who have emailed, called, or have stopped by my office. Your input is immensely valuable. Your opinions sit highly with me and help me in my decision-making.

I would appreciate your vote and, if re-elected, I will continue to vote for what is right for Alaska and Alaskans, my family and yours.
